

COST EPI-CATCH Conference

Epigenetic mechanisms in plant responses to environmental stresses

May 2-3rd, 2023 - Parma, Italy

Conference venue

Centro Santa Elisabetta, Parco Area delle Scienze, 95, 43124 Parma PR

How to reach the Campus from the city center:

By public transportation

Bus lines 7 e 21 connect the train station and the city center to the UNIPR campus.

Bus Line 7 takes approximately 45 minutes from the train station to the campus.

Bus Line 21 takes approximately 20 minutes from the train station to the campus terminus, which is located 100 mt from Centro Santa Elisabetta.

More information available on the Parma public transportation (TEP) website:

<https://www.tep.pr.it/en/>

Tickets can be purchased at train station, every authorized resellers, and on the official Teseo app (available for android and iOS).

By car

At the Parma toll booth exit on the A1 motorway, turn right towards Fiera. Continue for about 1 km until you cross the ring road. Take the ring road on the right towards Milan, Piacenza After about 4 km take the junction on the right towards exits 10-19 and continue on the ring road (south) for about 7 km following the signs for Langhirano and the University ("U"). Leave the ring road at exit no. 15; at the next roundabout, take the road on the right with the signs for the Campus (Parco Area delle Scienze).
